

Declaration of consent Version: 08-2011

Regarding the storage and publication of Master's, Diploma and Examination theses on data networks and the assignment of distribution rights to the SuUB Bremen

I hereby grant the State and University Library Bremen (SuUB) the non-exclusive right to archive the electronic version of the work named below, together with attending bibliographic data, in its institutional repository, to convert it to other data formats as necessary and to make it publicly available on the Internet and within other data networks in accordance with "Open Access" principles.

Author:

Document title:

I hereby declare that the document submitted to this platform is a duplicate of the work officially submitted to the respective examiners and that all bibliographic details are correct at the time of this application. No changes can be made to the thesis following its submission to the State and University Library Bremen (SuUB). All liability for the contents of the document rests with the author(s). Published works cannot be retracted following their publication through this service.

I hereby acknowledge the "Terms of Agreement for the Publication of E-Documents on the Document Server" (Stand 08-2011) of the State and University Library Bremen.

Copyright and usage rights

I have consulted my supervisor and, if applicable, (co-)supervising company/institution regarding the publication of this thesis. All copyright and licensing issues relating to the electronic publication of this theses – in particular with regard to patents (pending or otherwise), trademarks and brands – have been resolved by the author.

I am fully aware that the publishing rights of the State and University Library Bremen will remain unaffected should I choose to publish this thesis through a publishing house at a later date. I agree to inform the State and University Library Bremen (SuUB) without delay of any claims brought by third parties involving the infringement of intellectual property rights, and to notify the Library of any potential infringement of intellectual property rights with regard to both the text and images contained in this document that would preclude its publication.

Responsibilities and limitations

While the submission of this Declaration of Consent by the author empowers the State and University Library Bremen (SuUB) to publish the above-named work at the library and its digital networks; the Library is not obliged to do so. The author is aware that the State and University Library Bremen (SuUB) cannot be held liable for any errors resulting from technical issues. The author is also aware that the State and University Library Bremen (SuUB) cannot be held liable for any damages incurred by third parties illegally altering or reproducing downloaded documents.
